DSST
Subject Standardized Tests
Spring Arbor University

1. **A list of examinations available from DSST is attached to this information sheet. Credit hours and course equivalencies are listed for each examination. Students may obtain additional information, download forms, print Fact Sheets for examinations, order and take practice tests at DSST Web site www.getcollegecredit.com (SAU school code: 8550)**
2. Students will not be allowed to count credit from a DSST exam if they are already enrolled in a class which meets the requirement.
3. In disciplines where courses are sequential (i.e. Math, Sciences, Languages), a student who has taken a higher level course may not use a lower level examination to earn additional credit at the lower level.
4. Calculators are allowed **only** for designated exams. The **only** calculators that may be used (**with no exception**) are commercially produced, handheld calculators that are battery or solar powered and must be silent, non-programmable, and do not have either a full alphabetic keyboard or graphic display.
5. Tests are given on the third Saturday of every month except December on the main campus in Spring Arbor. The registration form must be received by the Office of Registration and Records three weeks prior to the intended test date. Payment is due with the registration form.
6. **DSST will not accept a personal check.** Students must pay their \$80.00 test fee by credit card ((VISA, MasterCard or American Express), money order or certified check. All money orders and certified checks should be made payable to **Prometric**. Only the \$80.00 exam fee may be charged. Testings sites set their own fee for administrating the exam. For those who choose to come to the main campus, the administration fee of \$25.00 per exam must be paid by check, (payable to Spring Arbor University), money order or cash.
7. We recommend that the student take not more than two exams per testing day. Many exams can be completed in about 90 minutes; candidates may take up to two hours to complete their exam.
8. A student may earn up to a limit of 60 hours through credit by exam.
9. No more than one-third of the credit hours required in a major or minor may be earned through credit by exam.
10. A DSST examination may be repeated **90 calendar days** from the date examination was first administered.
11. The fee to request additional score reports for DSST examinations is \$30.00. Requests are to be sent directly to DSST. Forms are available at DSST web site.
12. Allow four weeks for a score report to be sent to student and one school of choice.
